

Mobile Double Hanger AMMH55

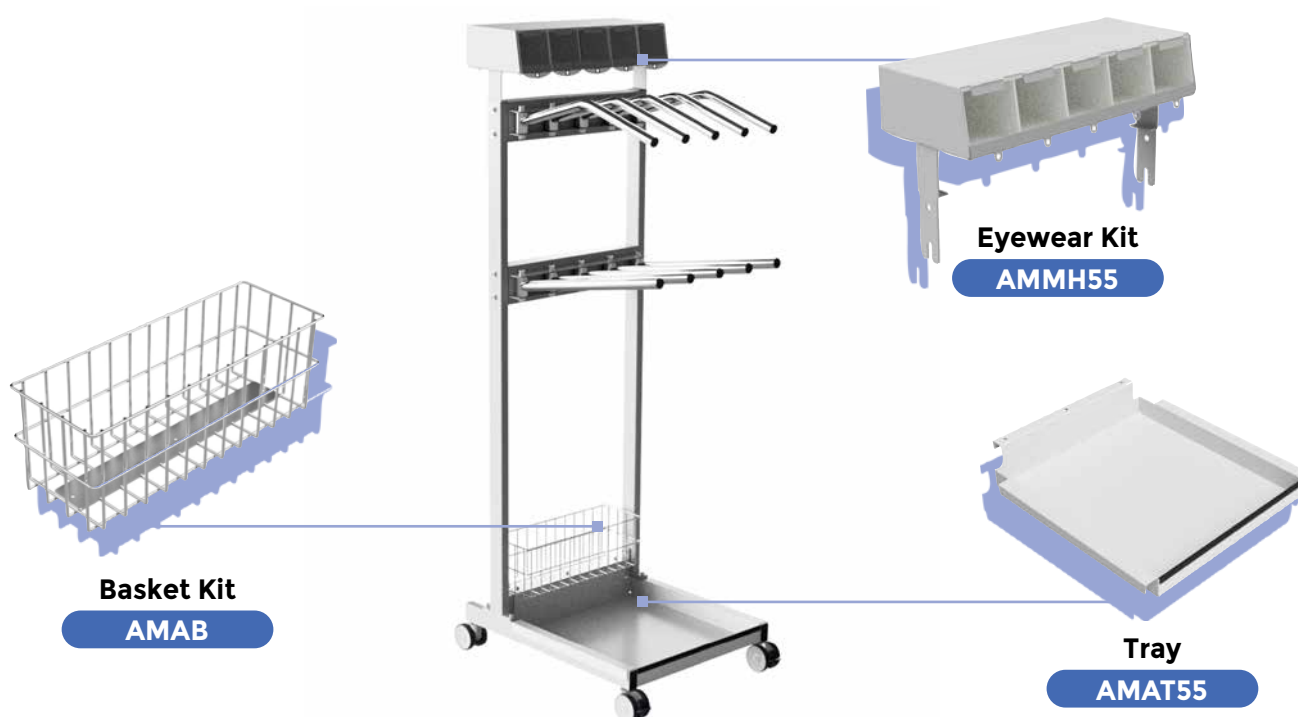

Increase your apron's lifespan with **Amray's Mobile Double Hanger AMMH55**, a compact solution tailored for smaller radiology clinics, saving valuable time and organising your garments easily.

- Effortlessly store and transport up to 5 vests or aprons in the upper row and 5 skirts in the lower row with smooth-rolling antistatic castors and a reliable anti-tipping base.
- The upper and lower hangers of the AMMH55 are made from stainless steel, insuring a hygienic medical area and the longevity of the apron rack.
- Customise AMMH55 with optional extras that effortlessly attach to safely store lead glasses and other accessories, ensuring a comprehensive and adaptable storage system in smaller facilities.

Securely Store Your Apron Accessories with Optional Extras

Keep all your essential radiation protective accessories such as eyewear, thyroid collars, shin guards, lead caps organised, accessible, and in optimal condition.

Mobile Double Hanger AMMH55

Order Information

Experience the convenience of Amray's Mobile Double Hanger AMMH55, a compact solution tailored for smaller radiology clinics. Store 5 vests and 5 skirts effortlessly without the need for folding or worrying about wrinkles. This innovative design keeps your lead aprons in excellent condition, ensuring they are free from creases or damage. Customise your Mobile Double Hanger with optional extras to accommodate additional accessories such as lead glasses and thyroid collars, providing a versatile storage solution for all your needs.
